Comments:

9/6/00 - Doug - Phone call to operator and was informed the USFS will not let him to any work here until posts \$3600 bond. He is not going to do this, so wants file closed. DOGM will list status as "inspect".

8/25/00 - Received new notice - which is incomplete.

1/20/2000 - Received 1999 annual report - stated annual assessment work only. Said last active in 1979. Haven't decided on plans for future.

9/30/99 - Received 1998 annual report and request to close file. Report stated mine was last active in 1985. No disturbance. Assessment work consisted of getting firewood from property.
